CLINICAL PLACEMENT EXPERIENCE

Centenary Hospital, Scarborough Health Network

Jan 2026 – Mar 2026

Student PSW — Acute Care & Palliative Placement

- Accomplished early identification of patient condition changes, measured by zero missed escalations, by monitoring vitals and reporting promptly to nursing staff in a fast-paced acute care ward.
- Delivered full ADL support — bathing, grooming, dressing, toileting, feeding, and mobility — measured by consistent shift coverage, by executing individualized care plans in a hospital setting.
- Supported patients and families through end-of-life and palliative care, including MAID support, measured by consistently upheld comfort and dignity, while maintaining strict IPAC protocols.

Seven Oaks Long Term Care Home, City of Toronto

Mar 2026 – Apr 2026

Student PSW — Long-Term Care Placement

- Delivered hands-on personal care to 7 assigned residents daily, measured by consistent de-escalation of responsive behaviors, by applying GPA, validation, and redirection within a 32-resident specialized dementia unit.
- Sustained comprehensive ADL assistance with zero care-plan deviations, measured by supervisor sign-off each rotation, by promoting dignity, comfort, and independence across bathing, dressing, grooming, toileting, and mobility.
- Ensured accurate, audit-ready care documentation, measured by complete charting each shift, by collaborating with the interdisciplinary team in a person-centered, structured environment.
