PROFESSIONAL EXPERIENCE

Centenary Hospital, Scarborough Health Network

Toronto, ON | Jan 2026 – Mar 2026

PSW — Acute Care, Palliative Unit

- Monitored patients for changes in condition, including vital signs and overall well-being, and promptly reported concerns to nursing staff.
- Provided hands-on ADL support including bathing, grooming, dressing, toileting, feeding, and mobility while following individualized care plans.
- Supported patients and families in a palliative care environment, including MAID-related care, while maintaining comfort, dignity, privacy, and IPAC standards.

Seven Oaks Long Term Care Home, City of Toronto

Toronto, ON | Mar 2026 – Apr 2026

PSW — Long-Term Care, Dementia/Lockdown Unit

- Provided hands-on personal care to 7 assigned residents daily in a 32-resident specialized dementia unit, using GPA, validation, and redirection to support responsive behaviours.
- Assisted residents with ADLs including bathing, dressing, grooming, toileting, and mobility while promoting dignity, comfort, safety, and independence.
- Completed accurate care documentation and communicated with the interdisciplinary team to support consistent, person-centred care.
